WASEEM ALTINAWI

FULL STACK DEVELOPER

PROFESSIONAL PROFILE

Web developer with a strong interest in projects that require both conceptual and analytical thinking. Fully-committed to develop innovative applications that users will love. I have good communication skills and very good ability to adapt due to many years of experience in Customer Service and Sales .

EDUCATION

• Full Stack Web Development

DCI Digital Career Institute gGmbH, Berlin (Remote) 2021 till now

Accomplishing a one-year-full-time training, covering Frontend and Backend
Completing multiple practical projects to practice programming skills
Taking German lessons as part of the course

• Master's degree Anglophone Modernities in Literature and Culture

University of Potsdam 2018 till now

• Bachelor's degree in English Literature

Damascus University 2005 to 2010

RELEVANT PROJECTS

• MERN+

Quiz App is a full-stack web application that allows users to take quizzes, solve code challenges, view results, and track progress. Utilizes MERN stack, React.js, Node.js, MongoDB, Express.js, and JavaScript, to create a dynamic and interactive platform. Demonstrates my abilities in front-end and back-end web development and utilizing the MERN stack.

Technologies used: HTML, JavaScript, React, API, Tailwind, MongoDB, ExpressJs, JWT, Passport, Google Auth, Judge0, Monaco Editor, react-countdown-circle-timer, react pdf
