PROFESSIONAL PROFILE

As a full-stack web developer, I possess a strong interest in projects that require both conceptual and analytical thinking. My dedication to developing innovative applications is driven by my passion for creating exceptional user experiences. With excellent communication skills and a proven ability to adapt to new challenges, I am confident in my ability to contribute to any development team.

SKILLS

- **Front-end:** JavaScript, React, Python, HTML, CSS, Sass, Bootstrap, DOM, Tailwind
- **Back-end:** Node.js, Express.js, PHP, Laravel, Python
- **Databases:** MongoDB, MySQL, NoSQL
- **Other:** Docker, RESTful APIs, Git

Service-focused, Adaptable to new technologies, Strong communication skills, Innovative, Problem-Solving

WORK EXPERIENCE

Developer at Jservice | August 2023 - Present

- Developed an automated skinning test tool using Python, Express.js, and MongoDB, automating the process of capturing screenshots, applying stencils, and performing image comparisons.
- Collaborated with cross-functional teams to ensure seamless integration of the tool within the testing workflow, improving efficiency and accuracy in testing.
- Optimized database management for test data using MongoDB, enhancing performance and scalability.
- Contributed to code reviews, troubleshooting, and continuous improvement of the testing tool.

IT Support Specialist at Saudi Embassy | 2019 – 2020

- Assisted in troubleshooting technical issues and setting up equipment
- Collaborated with staff to streamline administrative and technical processes.

Laravel Developer and API Integration Intern at "eCommeleon" | 01/2023 - 03/2023

- Assisted in the development of web applications using Laravel
- Worked on integrating third-party APIs to enhance application features
- Participated in code reviews and collaborated with senior developers to implement best practices in coding and project management.
- Gained hands-on experience in debugging, testing, and deploying applications.

IT Support and System Maintenance at "Fannat Company" | 2010 - 2015

- Maintained IT infrastructure and systems, ensuring smooth business operations.

EDUCATION

Full Stack Web Development

DCI Digital Career Institute gGmbH, Berlin (Remote) | 2021 to 2022

- Completed a one-year full-time training covering Frontend and Backend development
- Executed multiple practical projects to enhance programming skills
- Participated in German language lessons as part of the course

Master's Degree in Anglophone Modernities in Literature and Culture

University of Potsdam | 2018 to 2023

Bachelor's Degree in English Literature

Damascus University | 2005 to 2010

RELEVANT PROJECTS
